## המלצה

הריני ממליץ בזה עבור הארגון החשוב " בית מדרש לתשב"ר " בעיר ניו יורק בהנהלתו של הרב מיימון אלכאז שליט"א, אשר ידיו רב לו בחינוך ועושה רבות ונצורות למען ילדי ישראל שלא ילכו לרעות בשדות זרים כשזכרם מבית הספר, ששם שומעים דברי תורה בשילוב עם משחקים חינוכיים, וחידונים בהלכה ובאגדה בספר מיוחד ששמו "ושגנתם לבניך" שבו אלפי שאלות לשינון וחידוד התלמידים, וכמו כן משמיעים משניות בעל פה, ועוד תוכניות לילדים ובני נוער, איישר חילם לאורייתא. מצוה רבה לסייע בידם בעין יפה וברוח נדיבה, ומה' תשאו ברכה. ויהי רצון שגזכה לראות בהרמת דגל התורה והיראה, מתוך שמחות וגיל. ובזכות הכל פיהם של תינוקות של בית רבן, שעליהם עומד העולם, נזכה להושע תשועת עולמים, כביאת גואל צדק במהרה בימינו. ומלאה הארץ דעה את ה' כמים לים מכסים. אמן ואמן.

Dear Friend -

Our community is fortunate to have Rabbi Naamin Elbaz י"ד dedicated to the spiritual welfare and growth of our children.

He is a dynamic, caring and extremely capable young י"ד and leader with a proven record of extraordinary success in motivating and inspiring the children to love Torah and Mitzvot.

We need a Center for these important activities and Rabbi Elbaz י"ד is ready to throw himself into the task. This goal can only be reached with the generous support of community members who realize the priority of guarding our most important possession - our children.

Please help!

Dear Rabbi Elbaz,

On behalf of the students of Machon Yaakov L'Banos, please accept our thanks for a most inspiring, creative and dramatic presentation of "The Shemone Esrei-Our Best Defense". Our students were moved by your touching stories as well as your choice of meaningful visuals and music. Many students commented that the program was so engaging that they were unaware as to how much time had actually passed during the presentation!

Overall, your slide show enhanced our Yom Iyun on the topic of Tefilla, and the impact on our tefillos has been palpable! Two students who came late to first period after Shacharis the next morning explained to the secretary that they felt the need to slow down their davening pace as a result of the experiences of the day before!

Dear Rabbi Elbaz, עמו"ש

In the name of the Torah Vodaath Talmidim, I would like to heartily thank you for a most fascinating Torah Show. Being that we viewed it on אסרו חג פסח, it was a wonderful way to inaugurate the new זמן. The children really felt part of it as you got them totally involved by confronting them with questions they had to answer. The stories told were magnificent. The lessons taught were stimulating. Four days later, I asked the children to name the seven things which bring the גאולה and they rattled it off.

Thanks again for such an inspiring show. May you have much הצלחה in all your endeavors.

Sincerely,

Rabbi Shmuel Goldstien

Dear Rabbi Elbaz: רב'ל

I would like to take this opportunity in my personal name and in the name of the many participants at the *Shmonei Esrei* presentation to thank you for an outstanding slide show production. I was moved to tears numerous times throughout the program as you so beautifully depicted with drama and heartfelt emotion the underlying meaning of the *brochos of Shmonei Esrei*. There were countless people that came over to me after the program enthused and emotionally charged. I have no doubt that so many of us will daven differently henceforth.

May you continue to have much *hatzlocha* and be *zoche* to elevate Klal Yisroel to new spiritual heights.

Best wishes for a Freilichlin Chanukah.

Sincerely,

Rabbi Dovid Weinberger

I would like to introduce you to a wonderful innovative program that has great promise for the enrichment of Torah youth in our community.

Rabbi Maimon Elbaz has opened a central Torah "Station" for Yeshiva youth with a host of enjoyable, exciting programs. These activities are all designed to inspire, to educate and to create a warm Torah environment wherein children can discover the many joys of Torah life during parts of the day which would ordinarily go to waste.

His activities include:

- personal introductions to leading Talmidei Chachomim
- the availability of a plethora of listener-friendly Torah Tapes
- Limud Hamishnayos in the most inviting way imaginable
- slide shows explaining numerous Torah topics in a lively appealing manner
- plus many others

Rabbi Maimon has plans for the construction of a central location which would provide a haven for positive reinforcement of Yeshiva values. All Mechanchim who have witnessed Rabbi Maimon's work have been deeply impressed by his exceptional ability, his vibrant and charismatic personality and his charming sincerity and energetic devotion. Many children have been "turned on" as a result of his programs and have subsequently sparkled in every facet of their Yeshiva performance.

It would be a remarkable service for the "Klal" to have this ambitious project successfully completed. I can foresee that this would be the address to which many Yeshivos would turn when problems arise with their students, and that the dropout rate would sharply diminish as a result.

I strongly encourage everyone to support these projects. Whoever joins with Rabbi Maimon Elbaz will be a partner in a great Torah endeavor and will merit the blessings of Hakadosh Boruch Hu.

It is my pleasure to recommend Rabbi Maimon Elbaz's new sefer, *Torahific*.

Rabbi Elbaz has a glorious reputation of teaching children with many innovative and exciting methods. He has become renowned worldwide with his Torah riddles and Torah shows. He has compiled his extensive questions and answers on the Parshiot into a very useful and informative sefer.

The new volume of the sefer will be a welcomed treasure in every Jewish home. Children of all ages will benefit immensely from its wealth of yediot.

My Berachot to Rabbi Elbaz is to continue in his הרבצת תורה with הצלחה for many years to come.

Sincerely,
